Medium term plan and newsletters

At the start of each half term there will be a medium term plan giving an overview of our topic, what it will include and what we will be focussing on the children learning. This along with the weekly newsletter (detailing what we will be doing each week) will be put onto the class story on Class Dojo.

This half terms topic question is

'I Wonder Who I Am?'

This will include learning about -

Ourselves, colour, Autumn, harvest and where our food comes from.
