

Nursery Panda Newsletter

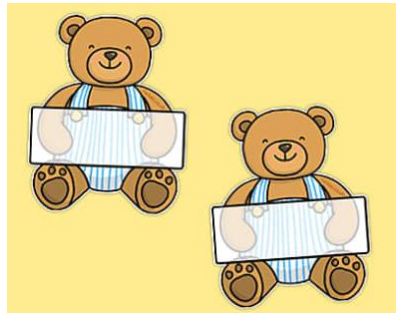

W/C 18.9.23

Self-Registration

As the children have settled so well into the routines and rules of nursery, this week we will introduce self-registration.

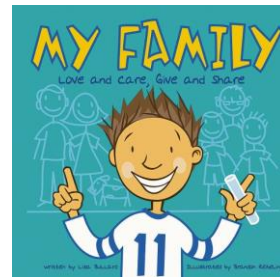

Each child will have a teddy bear picture with their name and photo on for them to take off the door before they come in and place in the basket next to the water bottle tray.

Spare clothes

To enable the children to access all areas of the environment could we please request that your child comes to school with at least one full set of a change of clothes in their bag. If you have any spare socks, tights or shoes that your child has grown out of and wish to donate we would be extremely grateful.

This week's story

'My Family'

Children's work

Last week the children drew a fantastic picture of themselves.

These will be on the jigsaw display just inside the door, so please take a look as you drop your child off at the door.

This week the children will be painting a picture of their family.
