

Grove House Infant and Nursery School

7th May 2024

It was wonderful to celebrate with the children at the end of last term and reward them for all of the positive contributions they make to theirs and others learning.

This term we look forward to a myriad of events and activities for you and the children to take part in, culminating with the most important of all....Sports Day!

The staff and I look forward to continuing our partnership together in ensuring your child meets their potential at Grove House and as always if you have any questions or concerns, we are always happy to help. On behalf of the staff at Grove House I want to wish you a successful summer term, (for our year 2's, their last with us!)

Mr. Mark Cuenca-Farrow, Acting Executive Headteacher

Attendance

Every day at school counts, helping with learning, developing skills, and building friendships.

As a school we monitor every child's attendance to ensure appropriate support can be offered where it is deemed necessary. We will contact parents if their child's attendance is below 92% and if no improvement is made we will invite you to a meeting to see what measures can be put in place to improve your child's attendance.

We will be taking part in various sporting events during the year. If your child is chosen to take part you will receive a message via Parent App requesting your consent.
